NOTES

- All easements and rights of way of which the surveyor has knowledge are shown hereon; others may exist of which the surveyor has no knowledge and of which there is no observable evidence.
- All utilities of which the surveyor has knowledge are shown hereon. Routings of underground utilities were drawn based on utility maps provided by respective utility companies which should be considered approximate and should be marked on the ground by the utility companies prior to construction. The telephone numbers for the Alabama Line Location Center (MISSALL) are 252-4444 (Birmingham area) and (800) 292-8525 (elsewhere).
- No attempt has been made and no guarantees are hereby given as to the location of sub-surface foundations.
- North arrow and bearings shown hereon are based on Transverse Mercator Projection - Alabama West Zone - NAD 83 adjusted 2011. Using Global Positional System (GPS) and derived by static observation. Using Base Station Designation AL 33 CORS ARP. PID D12226 Combined Factor: 0.99995426 Convergence Factor: +0 21 25.9
- According to the Flood Insurance Rate Map (FIRM) for Shelby County, Alabama (community-panel number 0111700251E, dated 02/20/2013), all of the subject property lies within Zone X, defined as "areas determined to be outside the 0.2% annual chance floodplain."
- At the time of the field survey there was no observable evidence of current earth moving work, building addition or construction, changes in street right of way lines, street or sidewalk repair or construction, use of the site as a solid waste dump, sump, or sanitary landfill.
- There was no observable evidence or evidence provided to the surveyor of potential wetlands on the subject property.
- All utilities appear to enter the subject property from a public Right of Way.
- Access to the subject property is by Chelsea Pointe Drive and U.S. Highway 280.
- The property surveyed and shown hereon is the same property as described in title commitment number C041600098, dated November 14, 2016, and prepared by Reli Settlement Solutions, LLC as agents for First American Title Insurance Company.
- The boundary lines of the subject property are contiguous with the boundary lines of all adjoining streets, highways, rights of ways and easements, public or private, as described in their most recent respective legal descriptions of record.
- The boundary line dimensions as shown on this survey map form a mathematically closed figure within ±0.1 foot.
- No encroachments from improvements located on the property onto any adjacent properties and/or easements or right-of-way were observed at the time of the survey, nor were any projections from improvements located on any adjacent properties and/or easements or rights-of-way onto the property observed at the time of the survey.
